Product Description

Product Description:

This JAFFA's glass offers unparalleled clarity, allowing you to enjoy unobstructed views as if there were no barrier at all. Its shatterproof nature provides an exceptional level of safety, ensuring that it remains intact even in the face of unexpected impacts or forces.

The enhanced impact resistance makes it highly durable and suitable for a wide range of applications. Whether it's in a busy commercial space or a residential setting, this glass can withstand the rigors of daily use and potential hazards.

In addition, the sound insulation feature is a significant advantage. It helps to create a quieter and more peaceful environment by reducing the transmission of external noises. This makes it ideal for areas where noise reduction is crucial, such as near busy roads or in noisy industrial surroundings.

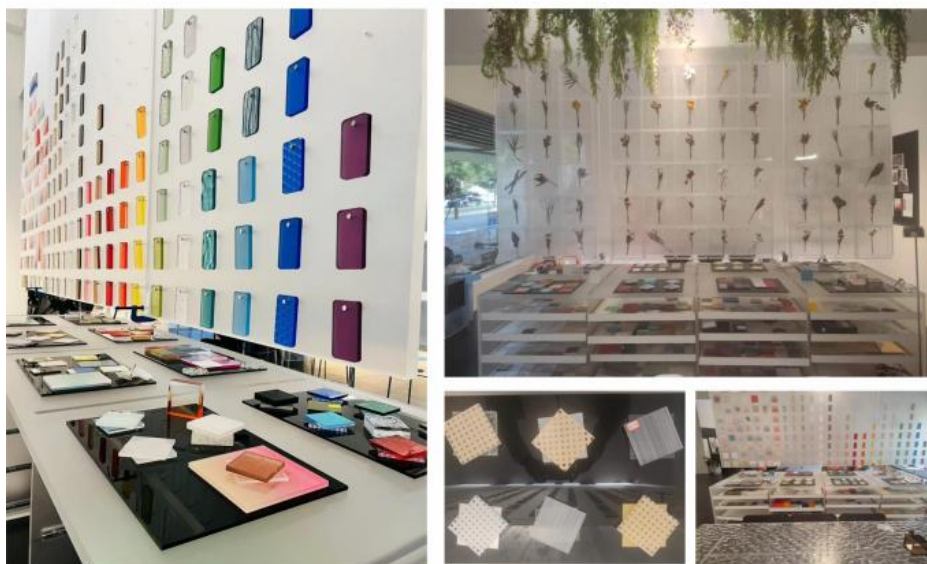

For example, in office buildings, it can provide a distraction-free workspace by blocking out outside sounds. In homes, it can ensure a peaceful and relaxing atmosphere in bedrooms and living rooms.

Sample fee

Prepaid sample fee

The proofing fee will be refunded for bulk orders, and will not be charged if you are not satisfied.

Technical Parameters:

Product Attribute	Technical Parameter
Product Name	Resin Laminated Glass
Color	Custom Colors
Resin Type	High Strength
UV Resistance	High
Sound Insulation	Good
Transparency	High
Customization	Available

Material	Resin Glass
Safety	Shatterproof
Installation	Easy
Durability	High

Support and Services:

Our Resin Laminated Glass product comes with comprehensive technical support and services to ensure your success with our product. Our team of experts are available to answer any questions you may have about the product specifications, installation process, and maintenance requirements. We also offer a range of value-added services, including custom cutting, drilling, and edging to meet your specific needs. Our goal is to provide you with the highest level of customer satisfaction and support possible, so please do not hesitate to contact us for any assistance you may require.

Packing and Shipping:

Product Packaging:

The resin laminated glass product will be packed in a sturdy cardboard box to ensure safe transportation.

The product will be wrapped with bubble wrap to prevent any damage during shipping.

The box will be sealed with strong packing tape.

Shipping:

The product will be shipped via a reputable courier service to ensure prompt and safe delivery.

A tracking number will be provided so that the customer can track the progress of their shipment online.

The shipping cost will be calculated based on the destination and the weight of the product.

Please allow 3-5 business days for delivery within the United States and 7-10 business days for international delivery.

FAQ:

A: Resin Laminated Glass is a type of safety glass that consists of two or more layers of glass that are bonded together with a layer of resin. The resin layer holds the glass together in the event of breakage, reducing the risk of injury from sharp glass shards.

Q: What are the benefits of Resin Laminated Glass?

A: Resin Laminated Glass offers several benefits, including increased safety, security, and sound reduction. It also provides protection against UV rays and can improve the energy efficiency of buildings.

Q: What applications is Resin Laminated Glass suitable for?

A: Resin Laminated Glass is suitable for a wide range of applications, including windows, doors, skylights, partitions, balustrades, and glass floors.

Q: What thicknesses are available for Resin Laminated Glass?

A: Resin Laminated Glass is available in a range of thicknesses, typically ranging from 6.38mm to 50.8mm. The specific thickness required will depend on the application and the level of safety or security required.

Q: Is Resin Laminated Glass easy to maintain?

A: Yes, Resin Laminated Glass is easy to maintain. It can be cleaned with a soft cloth and mild detergent, and should be dried with a clean towel to prevent water spots. Avoid using abrasive cleaners or materials that could scratch the glass surface.

JAFFA

THE REASON FOR OUR CHOICE

ABOUT US

We are committed to providing customers with high-quality acrylic, plexiglass and resin plate products to meet the needs of various industries. Whether it's commercial display, interior decoration, advertising logo or home design, we can make it according to customer's requirements.
