Product Description

Product Description:

JAFFA's customizable eco-resin panels are made from environmentally friendly materials, aligning with libraries' pursuit of sustainable development and environmental protection.

In terms of design, the customizable feature enables libraries to create personalized designs based on their own styles and needs. A wide range of patterns, textures, and colors can be selected to create a serene, comfortable, and culturally rich environment.

Its outstanding optical performance ensures a good light transmittance, keeping the interior of the library bright and evenly illuminated, which is conducive to readers' reading and learning.

Meanwhile, the eco-resin panels have excellent sound insulation effects, capable of reducing noise transmission and providing readers with a quiet reading space.

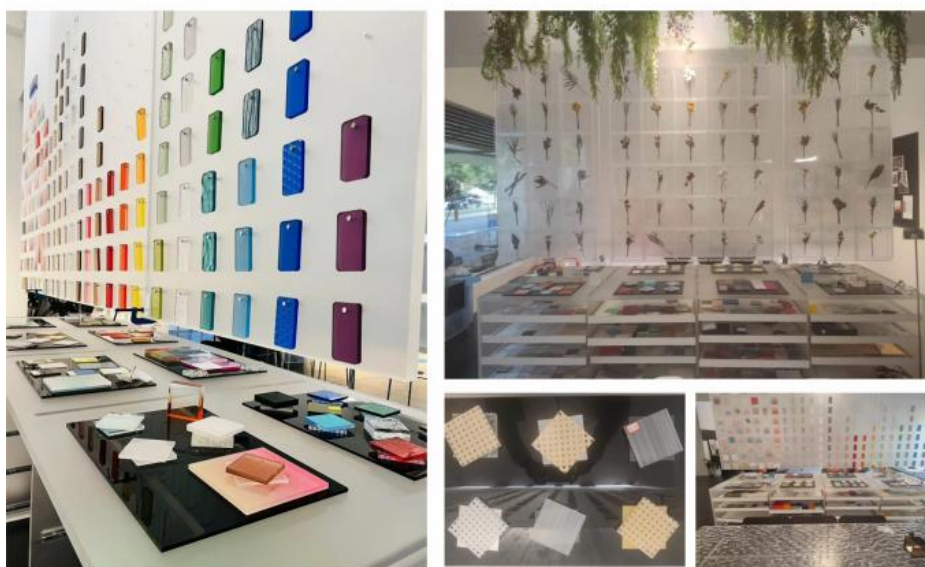

In terms of durability, it has the properties of abrasion resistance, scratch resistance, and chemical corrosion resistance, able to withstand the frequent use by the high traffic of people in libraries and the long-term test.

Sample fee

Prepaid sample fee

The proofing fee will be refunded for bulk orders, and will not be charged if you are not satisfied.

Support and Services:

Our Eco Resin Panels are designed to be durable and long-lasting, but we understand that sometimes issues may arise. That's why we offer comprehensive product technical support and services to help you resolve any problems you may encounter.

Our support team is knowledgeable and experienced in all aspects of our Eco Resin Panels, and can assist with:

- Installation and mounting
- Cleaning and maintenance
- Product troubleshooting
- Warranty claims

In addition to our technical support, we also offer a range of services to help you get the most out of your Eco Resin Panels:

Custom design and fabrication
Color matching
On-site installation and support
Project management

Our goal is to ensure that you are completely satisfied with your Eco Resin Panels, and we will do everything we can to assist you with any questions or concerns you may have.

Packing and Shipping:

Product Packaging:

The Eco Resin Panels will be packaged in a cardboard box with protective foam inserts to prevent any damage during shipping. The panels will be wrapped in bubble wrap to ensure further protection. The box will be sealed with packing tape to secure the contents.

Shipping:

The Eco Resin Panels will be shipped via a reputable courier service to ensure timely and safe delivery. The shipping cost will be calculated based on the destination and weight of the package. The customer will receive a tracking number once the package has been shipped so they can track the delivery status. The estimated delivery time will depend on the destination.

FAQ:

A: Eco Resin Panels are made of natural plant-based materials and resin.

Q: Can Eco Resin Panels be used in outdoor settings?

A: Eco Resin Panels are primarily designed for indoor use, but they can be used in covered outdoor areas with proper installation.

Q: How thick are Eco Resin Panels?

A: Eco Resin Panels are 3/8" thick.

Q: What is the maximum panel size available for Eco Resin Panels?

A: The maximum panel size available for Eco Resin Panels is 4' x 8'.

Q: How do I clean and maintain Eco Resin Panels?

A: Eco Resin Panels can be cleaned with a mild soap and water solution. Avoid using abrasive cleaners and tools that could scratch the surface. Regular cleaning will help maintain the appearance of Eco Resin Panels over time.
