Product Description

Scratch Resistant Waterproof Custom Acrylic Chair for Weddings and Art Exhibitions

Product Description:

This Custom Acrylic Chair is not only made of high-quality acrylic material, with scratch resistance and waterproof characteristics, but also carefully customized according to specific needs, whether it is a romantic wedding occasion, or full of artistic atmosphere of the exhibition scene, it can perfectly blend into the unique charm.

For example, at a wedding, it can be customized according to the theme color of the wedding, which complements the overall decorative style; In art exhibitions, its unique shape and customized patterns can echo with the exhibits to enhance the overall effect of the exhibition. You can customize the size and shape of the chair, and even add a unique logo or pattern to it, making it an exclusive symbol for couples at weddings, or a focal point for art exhibitions.

Support and Services:

Our Custom Acrylic Products come with comprehensive technical support and services to ensure that our customers have a smooth and successful experience with our products. Our team of experts is available to provide assistance with installation, maintenance, and troubleshooting. We also offer customized training programs to help our customers get the most out of their Custom Acrylic Products. In addition, we provide repair and replacement services for damaged or worn-out parts. Contact us for more information on our technical support and services.

Packing and Shipping:

Product Packaging:

All custom acrylic products are carefully packaged in bubble wrap and placed in a sturdy cardboard box to ensure safe delivery. The box is labeled with the product name and order number for easy identification.

Shipping:

We offer both domestic and international shipping options.

All orders are shipped within 2-3 business days after the order is placed.

Domestic orders typically arrive within 5-7 business days, while international orders may take up to 14 business days depending on the destination.

Customers will receive a shipping confirmation email with a tracking number once the order has been shipped.

FAQ:

A: Our custom acrylic products come in different thicknesses ranging from 1/8 inch to 1 inch. You can select the thickness based on your specific needs.

Q: Can I customize the size of the acrylic product?

A: Yes, you can customize the size of the acrylic product according to your needs. We offer a variety of sizes to choose from, and you can also provide us with your specific measurements.

Q: What colors are available for the custom acrylic products?

A: We offer a range of colors for our custom acrylic products, including clear, white, black, red, blue, green, and more. You can choose the color that best fits your needs.

Q: What type of finishing options are available for the custom acrylic products?

A: We offer different finishing options for our custom acrylic products, including polished edges, beveled edges, and rounded corners. You can select the finishing option that best suits your needs.

Q: What is the turnaround time for custom acrylic products?

A: The turnaround time for custom acrylic products usually depends on the complexity of the design and the size of the order. Typically, it takes around 5-7 business days for us to produce and ship your order.
