Product Description

Yellow Plexiglass Custom Acrylic Plexiglass 4mm Sheets

Product Description:

These sheets are made from high-quality acrylic material, ensuring durability and clarity. The 4mm thickness provides a sturdy and reliable structure, suitable for both functional and decorative uses. The distinct yellow color adds a vibrant and eye-catching element to any project. Whether it's for interior design, signage, or creative artworks, the color stands out and makes a bold statement. The customizability of these plexiglass sheets allows for precise cutting and shaping to meet specific requirements. They can be easily fabricated into various forms and sizes, providing flexibility in design. The sheets have excellent optical properties, allowing light to pass through with minimal distortion. This makes them ideal for applications where light transmission is important, such as in lighting fixtures or display cases. They are also resistant to impact, weathering, and chemicals, ensuring long-term performance and maintaining their appearance over time.

Vibrant Yellow Hue: Showcasing a rich and vibrant yellow color that remains consistent over time, these sheets add a striking visual element to any project.

Superior Light Transmission: With a light transmittance of up to 92%, our yellow acrylic sheets allow natural light to flow seamlessly, creating a bright and inviting atmosphere.

Impact Resistance: Offering superior impact strength compared to traditional glass, these sheets can withstand accidental bumps and knocks without shattering, ensuring user safety.

Weather Resistance: Designed to withstand the elements, our yellow plexiglass sheets exhibit excellent weatherability, resisting UV rays, moisture, and temperature fluctuations.

Versatile Processing: Easily adaptable to various fabrication techniques such as laser cutting, thermal bending, and more, enabling seamless customization to meet your unique specifications.

Eco-Friendly & Safe: Manufactured using non-toxic, environmentally friendly materials, our sheets comply with international safety standards, ensuring a healthy and safe working environment.

Technical Parameters:

Weather Resistance:	Excellent
Chemical Resistance:	Good
Material:	Acrylic Plexiglass
Impact Resistance:	High
UV Resistance:	Yes
Transparency:	Transparent / Translucent
Color:	Clear, White, Black, Blue, Yellow, Amber, Dark, Gray, Colored
