### Description

- **Mountain View Infinity Design:** Replaces traditional pool walls with high-clarity acrylic panels to create an "infinite horizon" effect, directly facing mountain scenery/cloud sea. It is the core landscape for homestay internet-famous check-ins, enhancing accommodation experience and communication power.
- **High-Clarity Weather-Resistant Acrylic Material:** Made of imported special high-transparency acrylic panels with thickness 80–200mm. It has excellent water pressure resistance, impact resistance and UV resistance, with light transmittance over 92%, clearly showing underwater and mountain scenery, complying with international pool safety standards.
- **Modular Splicing Structure:** The pool is composed of multiple acrylic panels + stainless steel frames in sections, prefabricated in the factory and assembled on-site, adapting to irregular homestay sites and realizing square/circular/curved shapes.
- **Waterproof Sealing System:** Adopts pool-grade sealant + structural waterproof double treatment. The connection between acrylic and concrete base is leak-proof reinforced, adapting to mountain temperature difference and rain environment, no leakage for long-term use.
- **Safe & Stable Structure:** Acrylic panels are firmly connected to the building main body through stainless steel clamps, with load-bearing steel beams added at the bottom. It has high wind and earthquake resistance, can withstand complex mountain climate and water pressure, complying with overseas safety codes such as ASTM/EN.
- **Homestay-Specific Adaptation:** Can be used for mountain homestays, lake-view homestays and internet-famous vacation homestays, balancing viewing, leisure and check-in functions, being the core selling point for homestay differentiated competition.
- **Eco-Friendly & Safe Craftsmanship:** Adopts CNC precision cutting + heat bending + fine polishing, no bubbles or impurities. The acrylic material complies with EU ROHS environmental standards, harmless to humans and water bodies.
