

JAFFA Custom Large-Scale Acrylic Transparent Structure, Gradient Glass Brick Wall/Arch Staircase, Outdoor Landscape Art Installation

Our Product Introduction

for more products please visit us on custom-acrylicproducts.com

Basic Information

- Minimum Order Quantity: 5set
- Price: Negotiable
- Packaging Details: Wooden box packaging, cardboard box packaging
- Delivery Time: 7-10 work days
- Payment Terms: D/P,L/C,T/T
- Supply Ability: 500sets/Year

Product Specification

- Material: PMMA
- Standard Size: Customizable
- Color: Customizable
- Feature: Luminous
- Service: OEM/ODM
- Application: Mall/Restaurant/Office/Home/Exhibition/Guar
- Highlight: acrylic in architecture, architectural acrylic

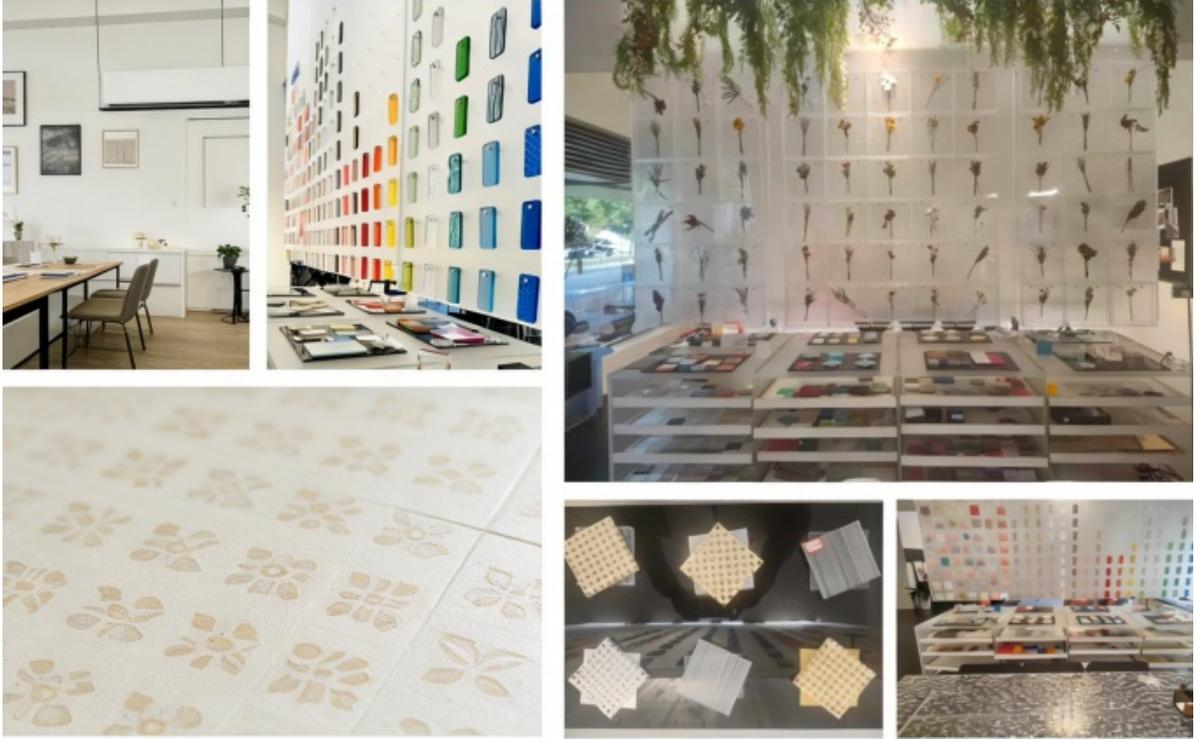

Description

- **Diverse Artistic Shape Design:** Customizable forms such as gradient glass brick walls and curved transparent staircases, creating a transparent and dreamy outdoor landscape focus through lamination of acrylic blocks/sheets, becoming the core art installation for commercial complexes, high-end residences and parks.
- **High-Clarity/Gradient Colored Acrylic Material:** Made of imported high-transparent or gradient colored acrylic, with thickness 5–50mm (glass brick) / 20–100mm (stair tread), light transmittance over 90%, weather-resistant and UV-resistant, impact-resistant, no yellowing or deformation for long-term use, complying with overseas outdoor landscape safety standards.
- **Modular Splicing/Steel Structure Support:** The landscape wall is built with acrylic glass bricks + metal frames in modules, and the staircase is supported by transparent acrylic treads + steel structure keels, prefabricated in the factory and assembled on-site, adapting to different sites and shape needs.
- **Light and Shadow Gradient Effect:** Gradient glass bricks/transparent sheets present layered light and shadow changes under natural light, and can be matched with lights at night to create a dreamy and transparent visual effect.
- **Safe and Stable Structure:** The landscape wall is reinforced with metal frames, and the staircase is supported by steel structure keels + stainless steel cables, calculated by professional mechanics, with high wind and earthquake resistance, complying with overseas building safety codes such as ASTM/EN.
- **Multi-Scene Adaptability:** Can be used in commercial park landscape walls, high-end residence outdoor staircases, hotel atrium installations, cultural and tourist scenic spot check-in points and other scenarios.
- **Eco-Friendly & Safe Craftsmanship:** Adopts non-toxic and environmentally friendly acrylic material, no formaldehyde or odor, complies with EU ROHS environmental standards, flame retardant grade up to B1, harmless to humans and the environment.

Sample fee

Prepaid sample fee

The proofing fee will be refunded for bulk orders, and will not be charged if you are not satisfied.

Parameter Item (English)	Parameter Value (Customizable)
Material	Imported High-Transparent/Gradient Acrylic + Stainless Steel/Aluminum Alloy Frame + Steel Structure Keel
Color	Transparent/Gradient Blue/Gradient Gray/Gradient Green (Customizable)
Structure	Glass Brick Wall/Arch Staircase + Modular Assembly + Steel Structure Support
Standard Size	Wall: H2-4m × W3-10m; Staircase: L3-10m (Adjustable)
Thickness	Acrylic Glass Brick 5-50mm / Stair Tread 20-100mm
Craftsmanship	CNC Cutting + Hot Bending + Polishing + Modular Assembly
Weight Per Module	Wall Module: 20-50 kg; Stair Tread: 10-30 kg (Depends on Size)

Packaging Parameter Item	Custom Wooden Crate + Foam Cotton + Shockproof Pad (Shockproof) Parameter Value (Customizable)
(English) Installation Method	Frame Fixing / Steel Structure Embedding + On-Site Splicing
Size Customization	Adjustable H/W/L, MOQ: 1 Set
Form Customization	Customizable Wall/Staircase/Arch/Irregular Installation
Material Customization	Customizable Acrylic Color/Thickness/Light Transmittance
Function Customization	Integratable Light Embedding/Waterproof Treatment
Safety Customization	Customizable Wind Resistance/Load-Bearing/Fire Rating

PARTICULARITY

(Customized products, subject to the effect)

After cutting, it will affect the secondary sales.

If there is no quality problem, we don't support returning goods.

Thank you for your cooperation.

**If you need to return the goods, you will be charged 80%,
and the return postage will be borne by the buyer himself.**

I wish you a happy shopping!

If you have any questions.

Please contact our after-sales customer service.

We will give a reasonable treatment plan in time ~

About delivery

After the customer places an order,

the goods will be delivered within 1-3 working days under normal circumstances.

If the quantity is large or the process is complex,

the production cycle will be extended. If you have requirements for delivery time,
you can contact and negotiate.

About chromatic aberration

The product pictures are all real photos, but due to shooting technology,
light, display parameters and other factors.

The color of the received object will be different from the photo.

Please take the object as the standard.

About price

Because there are many specifications of raw materials,

please contact customer service for quotation for other specifications.

(The link price is for the convenience of customers to place an order, not the actual price of the product)

FAQ

2. What scenarios is this acrylic transparent structure suitable for?

Answer: It is suitable for commercial park landscape walls, high-end residence outdoor staircases, hotel atrium installations, cultural and tourist scenic spot check-in points and other scenarios, being a core art installation to create transparent and dreamy landscapes.

3. How is the weather resistance of acrylic in outdoor environment? Does it meet overseas standards?

Answer: Made of imported weather-resistant and UV-resistant acrylic, it is high and low temperature resistant, wind and rain resistant, no yellowing or cracking for long-term use. The structural design complies with overseas building safety codes such as ASTM/EN/CE, with a service life of over 15 years.

4. What is the light and shadow effect of gradient glass bricks?

Answer: The gradient colored acrylic glass bricks present layered blue/green gradients under natural light, forming dreamy light and shadow when light passes through, and the effect is more atmospheric with bottom lights at night.

5. What is the load-bearing capacity and safety of the curved transparent staircase?

Answer: The stair treads are made of thickened acrylic, supported by steel structure keels and stainless steel cables. Professional mechanical calculation ensures the load-bearing capacity up to 350kg/ , complying with overseas public staircase safety standards.

6. Is installation and transportation complicated?

Answer: The modular sectional design can be disassembled for transportation, reducing logistics difficulty; it is installed on-site by a professional team for steel structure embedding and module splicing, with supporting waterproof/light treatment, the construction period is controllable, safe and efficient.

JAFFA

THE REASON FOR OUR CHOICE

ABOUT US

We are committed to providing customers with high-quality acrylic, plexiglass and resin plate products to meet the needs of various industries. Whether it's commercial display, interior decoration, advertising logo or home design, we can make it according to customer's requirements.

We have advanced production equipment and technical team, which can provide a variety of different processing technologies, including cutting, grinding, bending and bonding.

Ensure the accuracy and quality of products.

We also pay attention to innovation and research and development, and constantly introduce new products and designs to meet the needs and trends of the market.

In terms of installation, we have an experienced installation team, which can quickly and accurately complete the installation of products to ensure customer satisfaction and use effect.

Whether it is a business customer or an individual customer, we are committed to providing you with professional, efficient and high-quality services.

No matter what kind of products you need to customize.

We can make it according to your needs and requirements.

Ensure the quality and effect of products.
