### Description

- **Iridescent Gradient Visual Effect:** Features iridescent/rainbow acrylic panels, which refract light to display gradient colors (blue, purple, gold, etc.) that flow with viewing angle and light, elevating ordinary stairs into art installations.
- **High-Clarity High-Strength Acrylic Material :** Made of imported high-toughness acrylic panels with qualified thickness, its impact resistance is several times that of ordinary glass. It has high light transmittance, is safe and shatter-resistant, and meets overseas building safety standards.
- **Fits Spiral/Curved Stairs:** Can be custom heat-bent into curved/spiral shapes to perfectly fit irregular stair structures, balancing safety protection and spatial aesthetics, ideal for high-end offices, hotels and luxury residences.
- **Modular Installation Structure:** The railing consists of acrylic panels + metal handrail/frame, processed in sections and assembled on-site, convenient for transportation and construction, suitable for complex stair layouts.
- **Excellent Weather & Wear Resistance:** Acrylic is sun-resistant, anti-yellowing and scratch-resistant, maintaining a transparent and iridescent effect for long-term indoor use without deformation or cracking.
- **Safe & Stable Design:** Equipped with stainless steel/aluminum alloy metal frames, firmly connected to the stair structure via expansion screws, complying with overseas building safety codes to ensure pedestrian safety.
- **Multi-Scene Adaptability:** Suitable for spiral/curved stairs in high-end hotels, commercial complexes, art galleries and private luxury homes, serving as a core decorative element to enhance spatial style.
- **Eco-Friendly & Safe Craftsmanship:** Adopts laser cutting + heat bending + fine polishing, burr-free and odorless. The acrylic material complies with EU ROHS environmental standards and is harmless to humans.

Sample fee

Prepaid sample fee

The proofing fee will be refunded for bulk orders, and will not be charged if you are not satisfied.

Parameter Item (English)	Parameter Value (Customizable)
Material	Imported Iridescent/High-Clarity Acrylic + Stainless Steel/Aluminum Alloy Frame + Metal Handrail
Color	Iridescent Gradient / Solid Color Gradient / Clear (Customizable)
Structure	Curved/Spiral Shape + Modular Assembly + Safety Protection
Standard Size	Per Section: H1000–1200 × L1000–3000 × T8–20 mm (Adjustable)
Thickness	Acrylic Panel 8–20 mm + Metal Frame 10–30 mm
Craftsmanship	Laser Cutting + Heat Bending + Polishing + Assembly
Weight Per Section	Approx. 20–80 kg (Depends on Size)
Packaging	Custom Shockproof Wooden Crate + Bubble Film + Pearl Cotton (Shockproof)
Installation Method	Expansion Screw Fixing + On-Site Splicing

Size Customization Parameter Item (English)	Adjustable L/W/H, MOQ: 1 Set Parameter Value (Customizable)
Form Customization	Customizable Curved/Spiral/Straight/Irregular Shape
Color Customization	Customizable Iridescent/Gradient/Solid Color/Pattern
Material Customization	Optional Acrylic/Frame/Handrail Material
Surface Treatment	High Transparency / Frosted / Iridescent / Gradient
Safety Customization	Compliant with Local Building Safety Codes (e.g., ASTM/EN Standards)
Packaging Customization	Custom Brand Logo / Custom Export Wooden Crate

## PARTICULARITY

(Customized products, subject to the effect)  
 After cutting, it will affect the secondary sales.  
 If there is no quality problem, we don't support returning goods.  
 Thank you for your cooperation.

**If you need to return the goods, you will be charged 80%,  
 and the return postage will be borne by the buyer himself.**

I wish you a happy shopping!  
 If you have any questions.

Please contact our after-sales customer service.

**We will give a reasonable treatment plan in time ~  
 About delivery**

After the customer places an order,  
 the goods will be delivered within 1-3 working days under normal circumstances.  
 If the quantity is large or the process is complex,  
 the production cycle will be extended. If you have requirements for delivery time,  
 you can contact and negotiate.

### **About chromatic aberration**

The product pictures are all real photos, but due to shooting technology,  
 light, display parameters and other factors.

The color of the received object will be different from the photo.  
 Please take the object as the standard.

### **About price**

Because there are many specifications of raw materials,  
 please contact customer service for quotation for other specifications.  
 (The link price is for the convenience of customers to place an order, not the actual price of the product)

**2. What types of stairs is this acrylic stair railing suitable for?**

Answer: It is suitable for spiral, curved, irregular and straight stairs, ideal for high-end commercial and residential projects.

**3. How safe is the acrylic railing? Does it meet overseas building standards?**

Answer: Made of high-strength acrylic + metal frame, it is impact-resistant and shatterproof. It can be customized to comply with overseas building safety codes such as ASTM/EN to ensure pedestrian safety.

**4. Will the iridescent effect fade over time?**

Answer: Made of imported iridescent acrylic, it is sun-resistant and anti-yellowing, so the gradient effect will remain stable for many years without fading in indoor use.

**5. Is installation and transportation complicated?**

Answer: It features modular sectional design, detachable for transportation to reduce logistics costs. It is spliced and installed on-site by professionals, suitable for complex stair layouts with convenient construction.

**6. Is it suitable for cooperation with overseas high-end hotels and commercial projects?**

Answer: Yes. It supports customized production, complies with EU/US environmental and safety standards, and can be used as an artistic railing product for high-end commercial spaces, hotels and luxury residences.

**ABOUT US**

We are committed to providing customers with high-quality acrylic, plexiglass and resin plate products to meet the needs of various industries. Whether it's commercial display, interior decoration, advertising logo or home design, we can make it according to customer's requirements.

We have advanced production equipment and technical team, which can provide a variety of different processing technologies, including cutting, grinding, bending and bonding.

**Ensure the accuracy and quality of products.**

We also pay attention to innovation and research and development, and constantly introduce new products and designs to meet the needs and trends of the market.

In terms of installation, we have an experienced installation team, which can quickly and accurately complete the installation of products to ensure customer satisfaction and use effect.

Whether it is a business customer or an individual customer, we are committed to providing you with professional, efficient and high-quality services.

No matter what kind of products you need to customize. We can make it according to your needs and requirements.

**Ensure the quality and effect of products.**
