- Material: PMMA
- Standard Size: Customizable
- Color: Customizable
- Feature: Luminous
- Service: OEM/ODM
- Application: Mall/Restaurant/Office/Home/Exhibition/Guar
- Highlight: **custom acrylic store displays, acrylic store fixtures, acrylic display fixtures**

More Images

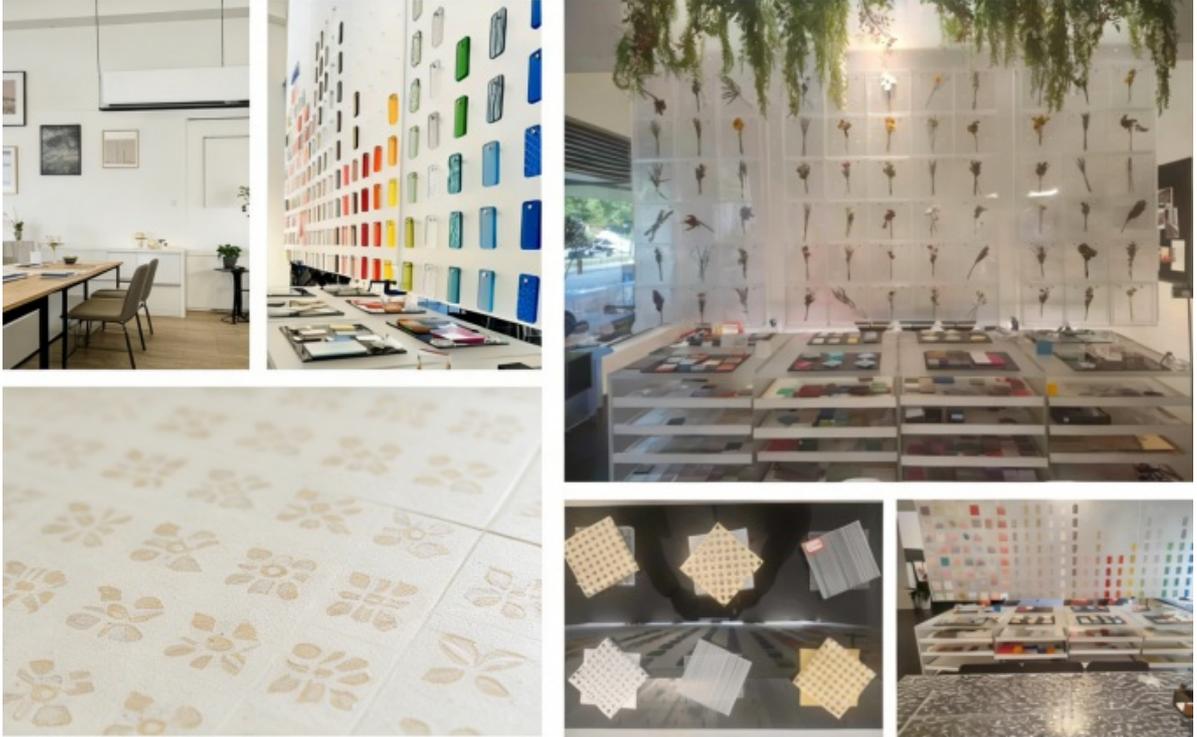

Description

- **Full-Wall Modular Wine Rack Design:** Specially designed modular structure for wineries, restaurants and villa wine cellars, with freely combinable shapes (curved/circular/straight) for 360° unobstructed wine display, turning the wine cellar into a visual focal point.
- **High-Clarity Acrylic + Metal Frame:** Made of food-grade high-transparency acrylic (or frosted/gradient) + stainless steel/aluminum alloy frame, transparent and lightweight, ensuring stable structure while maximizing display area, conveying minimalist luxury aesthetics.
- **Built-in LED Strip & Light Slot Design:** Reserved slots for LED strips/light boxes, with uniform and soft lighting (warm white/warm yellow/color), illuminating the wine rack while enhancing the advanced and atmospheric feel of the wine cellar.
- **Multi-Tier Tilted/Hanging Storage Structure:** Tilted shelf + hanging wine rack design, freely adjustable shelf number/spacing, classified storage of red wine, champagne, spirits, etc., easy access, keeping the display organized.
- **Stable Floor/Wall-Mounted Structure:** Thickened acrylic frame + metal reinforcements, with stable structure and strong load-bearing capacity; can be floor-placed or wall-mounted reinforced, not easy to tip over, protecting the floor from scratches.
- **Waterproof, Moisture-Proof & Corrosion-Resistant:** Acrylic material is waterproof, moisture-proof and acid-alkali resistant; metal frame is rust-proof and corrosion-resistant, suitable for wineries, restaurants, wine cellars, bars, etc., not easy to yellow, deform or fade after long-term use.
- **Dustproof & Moisture-Proof Protection:** Closed wine rack design effectively isolates dust and moisture, protecting wine bottles from dampness and dust accumulation to extend storage life.
- **Multi-Functional Commercial Display:** Not only for use as a wine cellar/winery display rack but also as a restaurant/bar partition or brand booth, creating a high-end and luxurious commercial atmosphere.
- **Personalized Custom Fit:** Supports customization of sizes, shape (curved/circular/straight), shelf number/spacing, light slot position/style, material, logo printing, etc., perfectly adapting to different commercial spaces and wine cellar needs.
- **Eco-Friendly & Safe Material:** Odorless, non-toxic and harmless, with finely polished burr-free edges, compliant with EU ROHS environmental standards, friendly to human body and environment..

Sample fee

Prepaid sample fee

The proofing fee will be refunded for bulk orders, and will not be charged if you are not satisfied.

Parameter Item (English)	Parameter Value (Customizable)
Material	High-Clarity Acrylic + Stainless Steel/Aluminum Frame + LED Slot + Reinforcements
Color	Clear / Frosted / Gradient (Customizable)
Structure	Full-Wall Modular Wine Rack + Tilted/Hanging Shelf + LED Slot + Splicing Assembly
Standard Size	Rack: L2000–6000 × W300–800 × H2000–3000 mm (Customizable)
Thickness	Acrylic Panel 8–12 mm + Frame 20–30 mm (Customizable)
Craftsmanship	Laser Cutting + Fine Polishing + Heat Bending + Splicing + Drilling (LED Slot/Fixing Hole)
Weight (Per Set)	Approx. 200–800 kg (Depends on Size)
Packaging	Wooden Frame + Bubble Bag + Pearl Cotton + Hard Carton (Shatter & Pressure Resistant)
Installation Method	Floor Placement / Wall-Mounted Reinforcement + Modular Disassembly for Transport

Parameter Item (English)	Parameter Value (Customizable)
Size Customization	Back/Segment L/W/H adjustable as requested, MOQ: 5 Sets
Shape Customization	Customizable Curved/Circular/Straight/Spiral Shape
Shelf Customization	Adjustable shelf number/spacing/tilt angle/shape
LED Strip Customization	Customizable slot size, light color/brightness (Warm White/Warm Yellow/Color)
Material Customization	Optional Acrylic/Metal Material
Color Customization	Clear, Frosted, Gradient Effect, Brand Color Printing
Hardware Customization	Optional screw/connector material/color (Stainless Steel/Black)
Surface Treatment	High Transparency / Frosted / Semi-transparent / Mirror Effect
Logo/Print Customization	Screen Printing/UV Printing/Laser Engraving, Single/Multi-color
Packaging Customization	Brand Logo Printing, Custom Export Wooden Crate Available

PARTICULARITY

(Customized products, subject to the effect)

After cutting, it will affect the secondary sales.

If there is no quality problem, we don't support returning goods.

Thank you for your cooperation.

If you need to return the goods, you will be charged 80%, and the return postage will be borne by the buyer himself.

I wish you a happy shopping!

If you have any questions.

Please contact our after-sales customer service.

We will give a reasonable treatment plan in time ~

About delivery

After the customer places an order,

the goods will be delivered within 1-3 working days under normal circumstances.

If the quantity is large or the process is complex,

the production cycle will be extended. If you have requirements for delivery time, you can contact and negotiate.

About chromatic aberration

The product pictures are all real photos, but due to shooting technology, light, display parameters and other factors.

The color of the received object will be different from the photo.

Please take the object as the standard.

About price

Because there are many specifications of raw materials, please contact customer service for quotation for other specifications.

(The link price is for the convenience of customers to place an order, not the actual price of the product)

FAQ

1. Where is this acrylic wine cellar display suitable to be placed?

It is suitable for wineries, restaurants, villa wine cellars, hotels, bars, malls, exhibition halls, etc., to be used as a display rack for red wine, champagne, spirits, adapting to large spaces and modern luxury/commercial styles with 360° eye-catching display.

2. What is the load-bearing capacity of the acrylic panel?

A single acrylic panel can withstand 15–25 kg, and the total load-bearing capacity of the wine rack can reach 500–1000 kg, meeting daily needs of displaying a large number of red wines and champagnes.

3. Does it support modular disassembly and quick assembly?

Yes, it can be split into multiple curved/straight segments for easy transport and quick setup, adapting to different wine cellar/mall spaces, and can be quickly disassembled for reuse after events.

4. Will it yellow or fade after long-term use?

Acrylic has strong UV resistance, is waterproof, moisture-proof and acid-alkali resistant, so it won't yellow or deform. The transparent texture is stable and not easy to fade after long-term use.

5. Is acrylic easy to scratch or break?

Acrylic has high surface hardness and is resistant to scratches under normal use; it has strong impact resistance and is not easy to break. Avoid heavy violent impact for safe use.

6. Can the light strip color and brand logo be customized?

Yes, you can design the slot size and light color (e.g., warm white/brand color), and customize brand logo/event information to enhance brand recognition.

7. What is the lead time for custom orders?

For standard custom orders (5–20 sets), the production lead time is 30–40 days, depending on quantity and process complexity.

8. Do you support small trial orders?

Yes, the minimum order quantity (MOQ) is 5 sets, suitable for wineries, restaurants, hotels, villa owners to test product effects.

JAFFA

THE REASON FOR OUR CHOICE

ABOUT US

We are committed to providing customers with high-quality acrylic, plexiglass and resin plate products to meet the needs of various industries. Whether it's commercial display, interior decoration, advertising logo or home design, we can make it according to customer's requirements.

We have advanced production equipment and technical team, which can provide a variety of different processing technologies, including cutting, grinding, bending and bonding.

Ensure the accuracy and quality of products.

We also pay attention to innovation and research and development, and constantly introduce new products and designs to meet the needs and trends of the market.

In terms of installation, we have an experienced installation team, which can quickly and accurately complete the installation of products to ensure customer satisfaction and use effect.

Whether it is a business customer or an individual customer, we are committed to providing you with professional, efficient and high-quality services.

No matter what kind of products you need to customize.

We can make it according to your needs and requirements.

Ensure the quality and effect of products.
