Description

- **Full-Wall Modular Design:** Specially designed full-height tall cabinet for large spaces, with freely combinable independent acrylic modules, fully utilizing vertical wall space to turn the cabinet into a spatial art installation.
- **High-Clarity Colored Gradient Acrylic Material :** Made of food-grade high-transparency colored acrylic (e.g., gradient orange/red/green/blue), transparent and lightweight, presenting dreamy gradient layers under light refraction, clearly displaying internal items while isolating dust and moisture.
- **Multi-Tier Open Storage Structure:** Multi-layer open shelf + drawer + hanging rod design, freely adjustable shelf number/spacing, classified storage of clothes, bags, books, ornaments, etc., easy access, keeping the space tidy and organized.
- **Stable Floor/Wall-Mounted Structure:** Thickened acrylic frame + metal reinforcements, with stable structure and strong load-bearing capacity; can be floor-placed or wall-mounted reinforced, not easy to tip over, protecting the floor from scratches.
- **Waterproof, Moisture-Proof & Corrosion-Resistant:** Acrylic material is waterproof, moisture-proof and acid-alkali resistant, suitable for living rooms, studies, exhibition halls, cafes and other scenarios, not easy to yellow, deform or fade after long-term use.
- **Dustproof & Moisture-Proof Protection:** Closed cabinet design effectively isolates dust and moisture, protecting items from dampness, extending their service life.
- **Multi-Functional Display Storage:** Not only for storing clothes, bags, books but also as a display rack for placing aromatherapy, plants, art prints and other decorations, creating an artistic and luxurious atmosphere.
- **Personalized Custom Fit:** Supports customization of sizes, shelf number/spacing, cabinet shape/transparency, gradient direction/range, material, logo printing, etc., perfectly adapting to different wall sizes and artistic style needs.
- **Eco-Friendly & Safe Material:** Odorless, non-toxic and harmless, with finely polished burr-free edges, compliant with EU ROHS environmental standards, friendly to human body and environment.

PARTICULARITY

(Customized products, subject to the effect)
 After cutting, it will affect the secondary sales.
 If there is no quality problem, we don't support returning goods.
 Thank you for your cooperation.

**If you need to return the goods, you will be charged 80%,
 and the return postage will be borne by the buyer himself.**

I wish you a happy shopping!
 If you have any questions.

Please contact our after-sales customer service.

We will give a reasonable treatment plan in time ~

About delivery

After the customer places an order,
 the goods will be delivered within 1-3 working days under normal circumstances.
 If the quantity is large or the process is complex,
 the production cycle will be extended. If you have requirements for delivery time,
 you can contact and negotiate.

About chromatic aberration

The product pictures are all real photos, but due to shooting technology,
 light, display parameters and other factors.

The color of the received object will be different from the photo.

Please take the object as the standard.

About price

Because there are many specifications of raw materials,
 please contact customer service for quotation for other specifications.
 (The link price is for the convenience of customers to place an order, not the actual price of the product)

The logo for JAFFA, featuring the word "JAFFA" in a large, bold, red, sans-serif font. A registered trademark symbol (®) is located to the upper right of the final 'A'.

FAQ

- 1. Where is this acrylic custom cabinet suitable to be placed?** It is suitable for living rooms, studies, exhibition halls, boutique hotels, cafes, art galleries, etc., to be used as a storage cabinet, display cabinet or room divider, adapting to large spaces and modern luxury/artistic styles, conveying dreamy gradient aesthetics.
- 2. What is the load-bearing capacity of the acrylic panel?** A single acrylic panel can withstand 15–20 kg, and the total load-bearing capacity of the cabinet can reach 200–300 kg, meeting daily needs of storing a large number of items.
- 3. Can multiple sets be spliced for installation?** Yes, multiple sets can be spliced horizontally/vertically, flexible to form a full-wall storage system to adapt to different wall sizes and storage needs.
- 4. Will it yellow or fade after long-term use?** Acrylic has strong UV resistance, is waterproof, moisture-proof and acid-alkali resistant, so it won't yellow or deform. The gradient color is stable and not easy to fade after long-term use.
- 5. Is acrylic easy to scratch or break?** Acrylic has high surface hardness and is resistant to scratches under normal use; it has strong impact resistance and is not easy to break. Avoid heavy violent impact.
- 6. Can the shelf height be adjusted?** Yes, the shelf spacing is freely adjustable, flexible to adapt to items of different heights.
- 7. What is the lead time for custom orders?** For standard custom orders (10–50 sets), the production lead time is 20–30 days, depending on quantity and process complexity.
- 8. Do you support small trial orders?** Yes, the minimum order quantity (MOQ) is 10 sets, suitable for home decor brands, designers, or boutique hotels/art galleries to test product effects.

JAFFA

THE REASON FOR OUR CHOICE

ABOUT US

We are committed to providing customers with high-quality acrylic, plexiglass and resin plate products to meet the needs of various industries. Whether it's commercial display, interior decoration, advertising logo or home design, we can make it according to customer's requirements.

We have advanced production equipment and technical team, which can provide a variety of different processing technologies, including cutting, grinding, bending and bonding.

Ensure the accuracy and quality of products.

We also pay attention to innovation and research and development, and constantly introduce new products and designs to meet the needs and trends of the market.

In terms of installation, we have an experienced installation team, which can quickly and accurately complete the installation of products to ensure customer satisfaction and use effect.

Whether it is a business customer or an individual customer, we are committed to providing you with professional, efficient and high-quality services.

No matter what kind of products you need to customize.

We can make it according to your needs and requirements.

Ensure the quality and effect of products.
