Description

- **Modular Store Display Design:** An integrated combined structure specifically designed for beauty stores/brand counters, with free splicing to form a full-wall display, adapting to different store spaces for systematic brand product presentation.
- **Built-in LED Strip & Backlight System:** Reserved LED strip slots on the top/sides for embedding warm white/cool white lighting. The uniform and soft light enhances product texture and creates a high-end luxury shopping atmosphere.
- **Multi-Tier & Compartmentalized Layout:** Open display shelves + independent compartments + poster backboard, enabling classified placement of foundations, lipsticks, eyeshadows, skincare samples and other cosmetics for clear visibility and improved conversion rate.
- **Stable Commercial-Grade Structure:** Thickened acrylic panels + metal painted frame with reinforced connectors ensure strong load-bearing capacity, suitable for high-frequency use in malls/chain stores.
- **Waterproof & Anti-Yellowing:** High-clarity acrylic is waterproof, moisture-proof and acid-alkali resistant, not easy to yellow or deform after long-term use, keeping the display clear.
- **Brand Marketing Ready:** Supports custom poster printing, price tag slots and discount label positions, perfectly adapting to in-store promotions and enhancing brand awareness.
- **Multi-Scene Adaptability:** Suitable for beauty stores, brand counters, e-commerce live streaming stations, nail art studios/beauty studios for efficient vertical space utilization.
- **Personalized Customization:** Supports customization of sizes, LED light position/color, compartment layout, logo printing and backboard design to match different brand VI and store styles.
- **Eco-Friendly & Safe Craftsmanship:** Finely polished with burr-free edges, compliant with EU ROHS environmental standards, odorless, non-toxic and friendly to humans and the environment.

FAQ

1. What products is this beauty display cabinet suitable for? Answer: It is suitable for displaying foundations, lipsticks, eyeshadow

palettes, pressed powders, skincare samples, nail art tools and other beauty products. The layered design accommodates different product sizes.

- 2. What are the advantages of acrylic material for commercial store use?** Answer: High clarity for visibility, dustproof and moisture-proof, anti-yellowing, and visually enhances the high-end feel. LED lighting better highlights product color and texture to attract customers.
- 3. Can you customize the size according to my store space?** Answer: Yes. We can customize the total length, width and height based on your counter space, and design curved/right-angle shapes to fit different spatial layouts.
- 4. What about the load-bearing capacity and stability?** Answer: Thickened acrylic + metal frame reinforcement. A single shelf supports 5–10 kg, ensuring stable structure for high-frequency use in malls/chain stores.
- 5. Is it suitable for overseas e-commerce/brand clients?** Answer: Yes. It supports bulk customization, brand logo printing and export packaging, complying with EU/US environmental standards. It can be used as brand counter props, live streaming equipment or store supporting products.
