Description

- **Gradient Geometric Art Design:** A three-dimensional geometric-patterned acrylic platform designed for high-end store windows/atriums, with gradient pink/silver/iridescent texture. It creates a dreamy visual effect under light refraction, turning the display into a spatial art installation.
- **High-Clarity Gradient Acrylic Material:** Made of food-grade high-transparency gradient acrylic, lightweight and 通透, maximizing display area while isolating dust and moisture, conveying minimalist luxury/artistic aesthetics.
- **Modular Tiered Design:** Freely combinable into a tiered display set, adapting to different sizes of bags, apparel, figures, aromatherapy, etc. for 360° unobstructed display and enhanced brand exposure.
- **Stable Floor-Standing Structure:** Thickened acrylic one-piece frame + metal reinforcements ensure strong load-bearing capacity, preventing tipping and scratching the floor.
- **Waterproof, Moisture-Proof & Corrosion-Resistant:** Acrylic material is waterproof, moisture-proof and acid-alkali resistant, not easy to yellow, deform or fade after long-term use, suitable for malls, exhibition halls, stores.
- **Dustproof & Moisture-Proof Protection:** Closed platform design effectively isolates dust and moisture, protecting displayed items from dampness and dust accumulation.
- **Multi-Functional Commercial Use:** Not only for store display but also as a pop-up store booth, window display or partition, creating a high-end and luxurious commercial atmosphere.
- **Personalized Customization:** Supports customization of sizes, gradient color/direction, geometric pattern density/style, material, logo printing, etc., perfectly adapting to different brand and space needs.
- **Eco-Friendly & Safe Craftsmanship:** Finely polished with burr-free edges, compliant with EU ROHS environmental standards, odorless, non-toxic and friendly to humans and the environment.

1. Where is this acrylic display pedestal suitable to be placed?

Answer: It is suitable for mall windows, store atriums, brand pop-up stores, exhibition halls, boutique hotels, cafes, etc., to be used as a display stand for bags, apparel, figures, aromatherapy, etc., adapting to large spaces and modern luxury/artistic styles with eye-catching gradient geometric patterns.

2. How durable is the acrylic material?

Answer: Acrylic is waterproof, moisture-proof and acid-alkali resistant. It won't yellow or deform after long-term use, with stable gradient texture and strong impact resistance for safe daily use.

3. Does it support customization of size and style?

Answer: Yes. We can customize the size, geometric pattern and gradient color based on your space dimensions and placement needs, with a minimum order quantity of 50 sets.

4. Are there any precautions for installation and use?

Answer: Just place it steadily for use; avoid heavy violent impact. Regular cleaning is sufficient, and no extra maintenance is needed. It adapts to overseas commercial space use.

5. Is it suitable for overseas e-commerce/brand cooperation clients?

Answer: Yes. It supports bulk customization and brand logo printing, adapts to high-end commercial display needs in European and American markets, and can be used as a brand gift/store supporting product.
