Product Description

Description

- **3D Illuminated Letter Craft:** Features mini/backlit letter craft with acrylic face + metal shell + internal LED, creating a delicate 3D outline and front/backlit effect for high brand recognition day and night.
- **High-Clarity Acrylic Face:** Made of food-grade high-clarity/frosted acrylic, it distributes light evenly and softly, ensuring night visibility without glare, conveying a luxury/modern chain brand aesthetic.
- **Built-in Energy-Saving LED Light Source:** Equipped with warm white/cool white/RGB LED strips, offering uniform brightness, energy efficiency and a 50,000-hour lifespan, compliant with overseas commercial power standards for low long-term costs.
- **Waterproof & Weather-Resistant:** Acrylic is waterproof, moisture-proof and acid-alkali resistant. With sealed gaskets and a waterproof power supply, it operates reliably outdoors without yellowing, deformation or fading.
- **Custom Craftsmanship:** Supports UV printing/laser engraving/CNC carving of brand logos, bilingual store names and 3D letter shapes for rich visual layers, matching the tone of restaurant chains, hotels and malls.
- **Stable Installation:** Comes with metal wall-mounted/embedded brackets and reinforced screws, ensuring a stable structure that prevents tipping or falling to protect the sign and store.
- **Multi-Scene Adaptability:** Functions as an illuminated store sign for restaurant chains (hot pot/bubble tea), hotels, malls and offices, suitable for commercial streets, mall atriums and campus entrances.
- **Eco-Friendly & Safe Craftsmanship:** Burr-free fine polishing, flicker-free LED lights and non-toxic materials, compliant with EU ROHS environmental standards.

FAQ

1. What types of stores is this illuminated sign suitable for?

Answer: It is perfect for restaurant chains (hot pot/bubble tea/cafe), hotels, malls and offices, especially matching chain and luxury brands, with 3D illuminated effect standing out brightly at night.

2. How durable is the acrylic illuminated sign for outdoor use?

Answer: Made of high-quality acrylic with a waterproof sealed structure, it is waterproof, moisture-proof and acid-alkali resistant, resisting yellowing and deformation. The LED light source lasts 50,000 hours, energy-efficient and durable for overseas outdoor commercial use.

3. Does it support multi-language store name and logo customization?

Answer: Yes. We can customize bilingual/multilingual store names, 3D letter shapes, brand logos and patterns to adapt to overseas multilingual environments and international chain brand needs.

4. Is installation and wiring complicated?

Answer: It features tool-free quick wiring with detailed instructions and included accessories. Wall-mounted/embedded installation is simple, convenient for overseas store setup and logistics.

5. Is it suitable for overseas e-commerce/brand cooperation clients?

Answer: Yes. It supports bulk customization and brand logo printing, complying with EU/US environmental and power standards, and can be listed as chain store signage for overseas platforms.
