- Material: PMMA
- Standard Size: Customizable
- Color: Customizable
- Feature: Luminous
- Service: OEM/ODM
- Application: Mall/Restaurant/Office/Home/Exhibition/Guardrail
- Highlight: **Toys pop acrylic display case,
Beauty pop acrylic display case**

Product Description

Product Description (Short Paragraph)

Acrylic color-block storage display cases feature high-transparency acrylic bodies paired with bold color-block borders (e.g., red/pink, blue/white, black/gold), breaking the monotony of traditional display cases. They serve as both "show stages" for collectible toys and "storage hubs" for beauty products and accessories – the clear cabinet displays collections prominently, while color-block borders inject personality into the space, making them ideal for toy enthusiasts, beauty bloggers, and 个性 homes.

Product Attributes (Bullet Points)

- Core Materials: High-transparency acrylic (3mm–5mm) + colored acrylic borders (Pantone colors customizable) + removable dividers
- Craftsmanship: Laser cutting, seamless splicing, color-block lamination/integrated molding, dustproof sealing
- Visual Effects: Color-block borders, high-transparency display, zoned storage, dust and moisture resistance
- Application Scenarios: Collectible toy display, beauty lipstick storage, accessory 系列, blind box collection, desktop organization
- Installation Methods: Desktop placement, wall-mounted (hanging holes optional), stackable (multi-layer stacking)

Customization Parameters Table

Parameter	Options/Specifications
Overall Dimensions	Width 20cm–60cm, Height 20cm–40cm, Depth 10cm–20cm, extra-large sizes (80cm*60cm) available for customization
Acrylic Thickness	3mm (lightweight and portable), 5mm (texture support, suitable for stacking)
Color-Block Design	Border color-block (red/pink, blue/white, black/gold, etc.), side panel color-block (single/double-sided), gradient color-block (optional)
Divider Configuration	No dividers (full display), 3/6/9-compartment dividers (zoned storage), adjustable dividers (flexible for different-sized collections)
Dustproof Design	Sliding dustproof door, magnetic dustproof cover, open-style (no door, for frequent access)
Stacking Function	Bottom groove design supports multi-layer stacking, up to 5 layers (adjustable by size)
Hanging Hole Configuration	Back hanging holes (optional, wall-mounted to save desktop space)

FAQs (Focused on Selling Points)

Will color-block borders fade, suitable for long-term display?

Our imported colored acrylic or UV lamination ensures no fading or yellowing for over 5 years of indoor/outdoor use, keeping color-block effects vibrant for long-term collection 系列.

Can adjustable dividers fit different-sized toys?

Yes. Slot-designed dividers can be freely removed or adjusted to fit collections from mini blind boxes to 1/6 scale figures, making storage more flexible.

Is stackable placement stable?

Yes. Precision bottom grooves ensure tight interlocking between layers, remaining stable even with 5 layers, without compromising each layer's display effect.
