- Feature: Luminous
- Service: OEM/ODM
- Application: Mall/Restaurant/Office/Home/Exhibition/Guardrail
- Highlight: **acrylic cosmetic display stand,  
acrylic makeup display stand,  
cosmetic acrylic display**

## Product Description

### Product Description (Short Paragraph)

Acrylic illuminated makeup storage boxes use high-transparency acrylic with built-in LED side-lighting strips to create immersive makeup atmospheres on vanities. They are both efficient storage solutions and desktop ambient lights – clearly displaying makeup products by day, and activating RGB strips at night to sync with other vanity devices, creating cozy, cyberpunk, or luxury atmospheres, ideal for makeup enthusiasts, beauty bloggers, and style-conscious individuals.

### Product Attributes (Bullet Points)

- Core Materials: High-transparency acrylic (5mm–8mm) + LED side-lighting strips + smart control module + drawer slides
- Craftsmanship: Laser cutting, LED strip embedding, waterproof sealing, smart module integration
- Visual Effects: RGB dynamic light effects, glare-free side-lighting, transparent visibility, atmosphere creation
- Application Scenarios: Vanity storage, beauty blogger desktops, makeup room ambiance, gift-giving
- Installation Methods: Desktop placement, stepless dimming (optional), linked control (APP/remote optional)

### Customization Parameters Table

Parameter	Options/Specifications
Overall Dimensions	Standard: 30cm*20cm*15cm (4 drawers for full beauty sets), Large: 40cm*30cm*20cm (6 drawers for professional makeup)
Acrylic Thickness	5mm (uniform light transmission), 8mm (enhanced texture for illuminated designs)
Light Strip Configuration	Side-lighting RGB strips (16.8 million colors, supports gradient/breathing/flashing), single-color warm light (3000K for cozy atmosphere optional), single-color cool light (6000K for clear display optional)
Control Methods	APP control (iOS/Android, supports music linkage), touch switches (convenient effect switching), stepless dimming (optional for different scenarios)
Drawer Design	Full-extraction (complete pull-out for easy access), pull handles (convenient opening/closing optional), silent slides (optional for a more pleasant experience)
Dustproof Design	Drawer sealing (dust and moisture resistant), top dust cover (optional for overall dustproofing)
Waterproof Rating	IP65 (IP68 available for humid bathroom/makeup room environments)

### FAQs (Focused on Selling Points)

#### 2. Will RGB strips affect color judgment of makeup products?

No. High CRI (≥90) LED beads restore true makeup colors, with a white light mode option to ensure accurate color judgment during application.

#### 3. What is the lifespan of the light strips?

High-quality LED beads have a lifespan of over 50,000 hours, lasting 17 years with 8 hours of daily use, and support separate strip replacement to reduce maintenance costs.

#### 4. Can they be given as gifts, and are they packaged?

Yes. Custom gift box packaging is available, with illuminated designs creating a more atmospheric display at night, making them ideal gifts for style-conscious individuals and beauty enthusiasts.
