FAQs (Focused on Selling Points)

2. How many makeup products can mini storage boxes hold?

Mini versions hold 3–5 lipsticks + 2 eyeshadow palettes, while standard versions hold 5–8 lipsticks + 4 eyeshadow palettes + 3 perfume samples, fully meeting touch-up needs for commuting and travel.

3. Can they fit in makeup bags without taking up space?

Perfectly. Mini dimensions of just 10cm*8cm*5cm and under 200g easily fit in makeup bags, with transparent materials making products visible at a glance for efficient touch-ups.

4. Will they be easily damaged during travel?

No. Scratch-resistant acrylic and optional waterproof shells protect products from moisture, while partitions secure items in place to avoid shaking damage, ideal for long-distance travel.
