## Product Description

### Product Case Description (Short Paragraph)

This bespoke vanity storage project, designed for a luxury residential client, demonstrates JAFFA's expertise in creating personalized, high-end acrylic solutions. The client wanted a wall-mounted storage system for their extensive collection of high-end cosmetics and skincare products that would blend seamlessly with their modern, minimalist interior. We designed a modular acrylic storage wall with a combination of open shelves and closed drawers, crafted from 10mm matte white acrylic. The result is a sleek, organized storage solution that is both functional and aesthetically pleasing, turning a cluttered vanity into a serene, luxurious space.

### Core Selling Points & Customization Advantages (Bullet Points)

- 2. One-Stop Customization Service:** JAFFA provides a full-cycle solution from 3D design rendering, material selection to production, delivery, and installation.
- 3. 100+ Premium Material Options:** Our extensive material library includes matte, glossy, colored, and textured acrylics, allowing us to match any interior design style.
- 4. Modular Design for Flexibility:** The modular structure allows for easy expansion or reconfiguration as the client's collection grows or changes.
- 5. Premium Aesthetics:** The matte white acrylic creates a clean, modern look that blends seamlessly with any minimalist or contemporary interior.
- 6. Functional Organization:** A combination of open shelves and closed drawers provides flexible storage for a wide range of cosmetics and skincare products.

### FAQs (Focused on Customization & Service)

- 2. Can the storage wall be expanded in the future if my collection grows?** Yes. The modular design allows for easy expansion by adding additional shelves or drawers, ensuring the storage solution grows with your needs.
- 3. Is the matte white acrylic easy to clean?** Yes. The matte finish is resistant to fingerprints and smudges, and can be easily cleaned with a soft cloth and mild detergent.
- 4. Can the drawers be locked for added security?** Yes. We offer optional lock mechanisms for the closed drawers, providing added security for valuable cosmetics and skincare products.
- 5. How is the storage wall installed, and is it reversible?** The storage wall is wall-mounted using heavy-duty brackets. It can be easily removed and reinstalled if you move or redecorate, making it a versatile, long-term investment.
