Product Description

Product Case Description

This premium beauty counter project, created for a high-end cosmetics brand in a luxury department store, showcases JAFFA's ability to blend functionality with high-end aesthetics. The client required a countertop display that could organize a wide range of lipsticks, foundations, and skincare products while maintaining a clean, luxurious look. We delivered a custom acrylic counter display with precision-cut slots and drawers, crafted from 6mm clear acrylic with a frosted base. The result is a seamless, organized counter that allows customers to easily browse products, while the transparent material keeps the focus on the premium packaging.

Core Selling Points & Customization Advantages

- 2. One-Stop Customization Service:** From initial consultation to final delivery, JAFFA handles every step, ensuring a hassle-free experience for our retail partners.
- 3. 100+ Premium Material Options:** Our extensive material library includes clear, frosted, colored, and functional acrylics, allowing us to match any brand's aesthetic and functional needs.
- 4. Precision Organization:** Custom slots and drawers are designed to perfectly fit specific product dimensions, eliminating clutter and making products easily accessible to customers.
- 5. Premium Aesthetics:** The high-gloss, transparent acrylic creates a clean, modern look that elevates the perceived value of the products on display.
- 6. Durability for High Traffic:** Built with industrial-grade acrylic and reinforced joints, our displays are designed to withstand the rigors of high-traffic department store environments.

FAQs (Focused on Customization & Service)

2. Can the slots and drawers be customized to fit my specific product dimensions?

Yes. We design every slot and drawer to the exact dimensions of your products, ensuring a perfect fit and a clean, organized look.

3. Is the acrylic resistant to scratches from frequent customer handling?

Yes. We use a scratch-resistant coating on all our acrylic displays, ensuring they maintain a flawless finish even with daily use.

4. Can I add my brand's logo to the display?

Absolutely. We offer laser engraving and UV printing services to add your brand logo or message to the display, reinforcing your brand identity.

5. How long does it take to produce a custom counter display?

The production time is typically 5–10 days, depending on the complexity of the design. We also offer rush services for urgent projects.
