## Product Description

### Product Case Description (Short Paragraph)

This floating acrylic bookshelf project, designed for a minimalist urban apartment, showcases JAFFA's expertise in creating invisible, space-saving storage solutions. The client wanted to display their favorite coffee table books and art prints without visible hardware, maintaining a clean, uncluttered aesthetic. We delivered a custom floating acrylic bookshelf crafted from 10mm ultra-clear acrylic, with hidden metal brackets that make the shelf appear to float on the wall. The final installation creates a light, airy focal point in the living room, proving that JAFFA's custom acrylic solutions can blend seamlessly with minimalist interiors while providing functional storage.

### Core Selling Points & Customization Advantages (Bullet Points)

- **One-Stop Customization Service:** JAFFA manages the entire process from space analysis, 3D renderings, material selection to manufacturing, delivery, and installation, ensuring a seamless experience.
- **100+ Premium Material Options:** Choose from ultra-clear, frosted, and colored acrylics to match any minimalist, modern, or Scandinavian interior design style.
- **Invisible Floating Design:** Hidden metal brackets create the illusion of a floating shelf, maintaining a clean, uncluttered aesthetic that keeps the focus on the books and decor.
- **Maximized Space:** The wall-mounted, floating design frees up valuable floor space, making it ideal for compact urban living areas and small apartments.
- **Durability & Safety:** Reinforced acrylic shelves and heavy-duty hidden brackets ensure stability and safety, with a load capacity of up to 25kg per shelf.

### FAQs (Focused on Customization & Service)

#### 1. Can the floating acrylic bookshelf be customized to fit a specific wall size?

Yes. Our design team will create a custom-sized floating shelf to perfectly fit your wall dimensions, ensuring a seamless, built-in look.

#### 2. Is the ultra-clear acrylic easy to clean and maintain?

Yes. The high-gloss acrylic surface is resistant to fingerprints and smudges, and can be easily cleaned with a soft cloth and mild detergent.

#### 3. Can I add LED lighting to the floating shelf to highlight my book collection?

Yes. We offer integrated LED strip lighting solutions that can be seamlessly installed within the shelf structure, creating a warm, inviting glow that highlights your books.
