- Color: Customizable
- Feature: Luminous
- Service: OEM/ODM
- Application: Mall/Restaurant/Office/Home/Exhibition/Guardrail
- Highlight: **figure acrylic display case, acrylic cases for action figures, acrylic display case for figures**

## Product Description

### Product Case Description (Short Paragraph)

This rotating acrylic display case was custom-built for a high-profile toy collector who wanted to showcase their 200+ character blind box collection in a compact, visually engaging way. The client needed a solution that would allow 360° viewing of every figure while keeping them dust-free and protected. JAFFA delivered a freestanding, rotating display case crafted from 8mm ultra-clear acrylic, with a central rotating core and 12 tiers of adjustable shelves. The integrated RGB LED lighting and lockable glass door create a premium, gallery-like experience, making the collection the centerpiece of the collector's home.

### Customization Parameter Table (Project & Service Specifications)

Parameter Category	Project Customization Details	JAFFA Full Service Range
Core Material	8mm ultra-clear acrylic (main body), 5mm acrylic (shelves), stainless steel (rotating core)	100+ acrylic materials (ultra-clear, frosted, colored, anti-UV, scratch-resistant; 2mm–15mm thickness)

Service Cycle	Design confirmation: 3 days; Production: 12 days; Delivery: 3 days	Design: 1–5 days (3D renderings); Production: 5–20 days; Global shipping + installation support

### Core Selling Points & Customization Advantages (Bullet Points)

- 360° Rotating Showcase:** The central rotating core allows full visibility of every blind box, making it perfect for compact spaces and creating a dynamic display.
- Premium Protection:** Lockable glass door and dustproof sealing strips keep collectibles safe from dust, moisture, and accidental damage.
- Immersive Lighting:** Integrated RGB LED lighting (dimnable) creates a customizable, gallery-like atmosphere, highlighting the details of each figure.
- Adjustable Shelves:** 1cm spacing increments allow shelves to be adjusted for blind boxes of different heights, from mini figures to large dolls.
- One-Stop Customization:** From 3D design to delivery, JAFFA handles every step, ensuring a seamless experience for collectors.

### FAQs (Focused on Customization & Protection)

- Can the rotating speed be adjusted for different display needs?** Yes. The rotating mechanism features adjustable speed settings (slow/medium/fast), allowing you to create a dynamic display or a steady showcase for photography.
- Is the rotating core stable enough to support heavy collectibles?** Yes. The stainless steel rotating core is reinforced to support up to 10kg per shelf, making it suitable for heavy figures and large collections.
- Can I add custom character art or brand logos to the display case?** Absolutely. We offer UV printing and laser engraving services to add custom graphics, character art, or brand logos to the acrylic surface, making the display case a unique extension of your collection.
- How do I start a custom rotating display case project with JAFFA?** Simply click the "Inquiry" button and share your collection size, display space dimensions, and functional needs. Our team will respond within 24 hours to start your bespoke project.
