## Product Description

### Product Case Description (Short Paragraph)

This wall-mounted acrylic display grid was designed for a modern urban apartment, where the client wanted to display their 150+ character blind box collection without overwhelming the space. The client needed a minimalist, space-saving solution that would blend seamlessly with their contemporary interior while keeping the collection visible and dust-free. JAFFA delivered a modular, wall-mounted display grid crafted from 5mm clear acrylic, with 48 individual compartments and a clear sliding door. The final installation transformed a blank wall into a sleek, organized showcase, proving that JAFFA's custom acrylic solutions can turn small-space challenges into stylish, practical storage.

### Core Selling Points & Customization Advantages (Bullet Points)

- **Minimalist Wall-Mounted Design:** The grid structure maximizes vertical space, making it ideal for compact urban apartments and modern interiors.
- **Modular & Expandable:** The modular design allows for easy expansion by adding additional compartments, ensuring the display grows with your collection.
- **Dustproof Protection:** The clear sliding door keeps collectibles safe from dust and moisture, while maintaining visibility of every blind box.
- **Sleek Aesthetics:** The clear acrylic blends seamlessly with any contemporary interior, keeping the focus on the collection rather than the storage solution.
- **One-Stop Customization:** From space analysis to installation, JAFFA handles every step, ensuring a seamless experience for urban collectors.

### FAQs (Focused on Customization & Space-Saving)

#### 1. Can the display grid be expanded as my collection grows?

Yes. The modular design allows for easy expansion by adding additional grid panels, ensuring the display grows with your collection without requiring a full replacement.

#### 2. Is the clear acrylic easy to clean and maintain?

Yes. The high-gloss acrylic surface is resistant to fingerprints and smudges, and can be easily cleaned with a soft cloth and mild detergent.

#### 3. Can I add LED lighting to the display grid to highlight my collection?

Yes. We offer integrated LED strip lighting solutions that can be seamlessly installed within the grid structure, creating a warm, inviting glow that highlights your blind boxes.

#### 4. How do I start a custom wall-mounted display grid project with JAFFA?

Simply click the "Inquiry" button and share your wall dimensions, collection size, and preferred style. Our team will respond within 24 hours to start your bespoke project.
