Product Description

Product Case Description (Short Paragraph)

This desktop acrylic display case was created for a social media influencer who wanted to showcase their favorite character blind boxes on their desk while creating a photogenic backdrop for content creation. The client needed a compact, dustproof solution that would fit seamlessly on their desk and highlight the details of each figure. JAFFA delivered a desktop display case crafted from 6mm ultra-clear acrylic, with 6 tiers of adjustable shelves and integrated warm-white LED lighting. The final installation is a compact, stylish showcase that keeps the collectibles visible and protected, making it perfect for desk display and content creation.

Customization Parameter Table (Project & Service Specifications)

Parameter Category	Project Customization Details	JAFFA Full Service Range
Core Material	6mm ultra-clear acrylic (main body), 4mm acrylic (shelves)	100+ acrylic materials (ultra-clear, frosted, colored, anti-UV, scratch-resistant; 2mm–8mm thickness)

Service Cycle	Design confirmation: 1 day; Production: 5 days; Delivery: 2 days	Design: 1–3 days (3D renderings); Production: 3–10 days; Global shipping

Core Selling Points & Customization Advantages (Bullet Points)

- 1. Compact Desktop Design:** The case fits seamlessly on any desk, making it perfect for displaying favorite blind boxes while working or creating content.
- 2. Photogenic Display:** Integrated warm-white LED lighting creates a soft, even glow that highlights the details of each figure, making it ideal for photography and content creation.
- 3. Dustproof Protection:** The clear dust cover keeps collectibles safe from dust and moisture, while maintaining visibility of every blind box.
- 4. Adjustable Shelves:** 1cm spacing increments allow shelves to be adjusted for blind boxes of different heights, from mini figures to small dolls.
- 5. One-Stop Customization:** From design to delivery, JAFFA handles every step, ensuring a seamless experience for content creators and desk collectors.

FAQs (Focused on Customization & Content Creation)

- 1. Can the LED lighting be adjusted for different photography needs?** Yes. The warm-white LED lighting is dimmable, allowing you to create a soft, even glow for photography or a brighter display for daily viewing.
- 2. Is the desktop case stable enough to support heavy collectibles?** Yes. The reinforced acrylic shelves are designed to support up to 5kg per shelf, making it suitable for heavy figures and small dolls.
- 3. Can I add custom character art or brand logos to the display case?** Absolutely. We offer UV printing and laser engraving services to add custom graphics, character art, or brand logos to the acrylic surface, making the display case a unique backdrop for content creation.
- 4. How do I start a custom desktop display case project with JAFFA?** Simply click the "Inquiry" button and share your desk dimensions, collection size, and functional needs. Our team will respond within 24 hours to start your bespoke project.
