Product Description

Product Case Description

This contemporary walk-in closet project, crafted for a modern residential client, showcases JAFFA's expertise in blending premium acrylic with functional, elegant design. The client desired a sleek, clutter-free dressing space that combined the transparency of tinted acrylic with warm integrated lighting, while providing flexible storage for clothing, footwear, and accessories. We delivered a custom closet system featuring **8mm bronze-tinted acrylic sliding doors**, integrated warm-white LED strip lighting, and a mix of open hanging rods, wooden shelves, and dedicated shoe storage. The final installation transformed the dressing area into a serene, luxurious space, proving that JAFFA's one-stop service can turn functional storage into a statement of refined taste.

FAQs (Focused on Customization & Contemporary Living)

1. Can JAFFA provide 3D design renderings to visualize the final closet in my home?

Yes. Our design team will create photorealistic 3D renderings based on your space dimensions and style preferences within 3–7 days, allowing you to visualize and refine the design before production.

2. Can the acrylic sliding doors be customized to fit a corner layout, like the one in the case?

Absolutely. Our modular design is highly adaptable, and we specialize in custom corner solutions, with mitered frames and sliding tracks that maximize every inch of corner space.

3. Is the tinted acrylic resistant to scratches and fading from sunlight?

Yes. We use a premium scratch-resistant and UV-stabilized coating on all our acrylic surfaces, ensuring the closet maintains its color

and finish even in sunlit dressing areas.

4. How do I start a custom walk-in closet project with JAFFA?

Simply click the "Inquiry" button and share your space dimensions, wardrobe needs, and preferred style. Our team of design specialists will respond within 24 hours to start your bespoke project.
