- Material: PMMA
- Standard Size: Customizable
- Color: Customizable
- Feature: Luminous
- Service: OEM/ODM
- Application: Mall/Restaurant/Office/Home/Exhibition/Guardrail
- Highlight: **JAFFA Bathroom storage rack**

Product Description

Product Case Description (Short Paragraph)

This DIY acrylic toilet side storage rack project is tailored for urban homeowners seeking efficient, space-saving bathroom storage solutions. Commissioned by a client with limited bathroom space, JAFFA designed a **modular, easy-to-assemble acrylic storage rack** that attaches seamlessly to the wall beside the toilet. Crafted from 6mm high-transparency acrylic panels and paired with detachable white ABS storage boxes, the rack features an extended floating shelf design to maximize vertical and horizontal space utilization. The DIY assembly structure simplifies installation without professional tools, while the waterproof and moisture-resistant acrylic material ensures long-term durability in humid bathroom environments. This project fully reflects JAFFA's ability to combine practicality, ease of use, and customization to solve the storage pain points of small bathrooms.

Customization Parameter Table (Project & Service Specifications)

| Parameter Category | Project Customization Details | JAFFA Full Service Range |
|-------------------------|--|---|
| Core Material | 6mm high-transparency waterproof acrylic (shelf), ABS plastic (storage box) | 100+ acrylic materials (clear, frosted, colored, moisture-proof, scratch-resistant; 5mm–10mm thickness); matching plastic/metal accessories |
| Overall Dimensions | Customized to 80cm (L) * 25cm (D) * 15cm (H) (single-layer floating rack) | Custom size: 50cm*20cm (mini) to 120cm*30cm (large); single/multi-layer, extended/retracted shelf designs supported |
| Structure Design | DIY modular splicing, wall-mounted floating shelf, detachable storage box, punch-free installation | 10+ structural templates (punch-free/punching, single/multi-layer, with/without storage boxes, foldable) |
| Surface Treatment | High-gloss acrylic finish, precision laser cutting, waterproof coating | Polishing, sandblasting, UV printing (custom patterns), anti-fingerprint coating |
| Accessory Configuration | Punch-free adhesive brackets, detachable ABS storage box, anti-slip silicone pads | DIY assembly kits, additional storage dividers, hook accessories, LED strip lighting |
| Service Cycle | Design confirmation: 1 day; Production: 5 days; Delivery: 2 days | Design: 1–3 days (3D renderings); Production: 3–10 days; Global shipping + detailed assembly instructions |

Core Selling Points & Customization Advantages (Bullet Points)

- 2. One-Stop DIY Customization Service:** JAFFA provides full-set solutions including customized design, precision production, and detailed assembly guides, making high-end acrylic storage accessible for DIY enthusiasts.
- 3. 100+ Material & Size Options:** Customize acrylic thickness, color, and shelf size to fit different toilet side space dimensions and storage needs, compatible with various bathroom layouts.
- 4. Space-Saving Ingenious Design:** The floating wall-mounted structure utilizes the idle space beside the toilet, and the detachable storage box realizes classified storage of toiletries, maximizing space utilization.
- 5. Easy DIY Installation:** Equipped with punch-free adhesive brackets (suitable for tile/glass/marble walls) and standard hardware, no professional tools or construction are required, and installation can be completed in 10 minutes.
- 6. Bathroom-Specific Durability:** The acrylic material is treated with waterproof and moisture-proof coating, resistant to mold, stains, and scratches, and can adapt to the humid environment of the bathroom for a long time.

FAQs (Focused on DIY & Bathroom Adaptability)

- 2. Can the punch-free installation method be used on uneven tile walls, and is it stable enough?**
Yes. We provide enhanced punch-free adhesive brackets suitable for slightly uneven tile walls, with a load-bearing capacity of up to 8kg. For heavy storage needs, we also provide optional punching installation accessories for double stability.
- 3. Can the storage box be customized in color or size to match my bathroom decoration style?**
Absolutely. The ABS storage box supports Pantone color matching, and we can customize the size and internal partition structure of the box according to the toiletries you need to store (such as toilet paper, cleaning supplies, etc.).
- 4. Is the acrylic shelf easy to clean, especially for water stains and soap scum in the bathroom?**
Yes. The high-gloss waterproof acrylic surface is non-porous. Daily water stains and soap scum can be wiped clean with a damp cloth,

and the anti-fingerprint coating effectively reduces the adhesion of dirt.

5. How to start a custom DIY acrylic toilet side rack project with JAFFA?

Click the "Inquiry" button and share the size of the space beside your toilet, the type of wall material, and your storage needs. Our team will respond within 24 hours and provide a customized design plan and assembly solution.
