## Product Case Description (Short Paragraph)

This custom acrylic shower grab bar project, crafted for a luxury residential client, perfectly demonstrates JAFFA's expertise in blending safety with minimalist bathroom design. The client desired a grab bar that would provide stability in the shower while seamlessly integrating with their modern, marble-tiled bathroom aesthetic—avoiding the bulky, utilitarian look of traditional metal bars. We delivered a sleek, wall-mounted grab bar crafted from **20mm ultra-clear acrylic**, paired with brushed stainless steel mounting brackets. The transparent acrylic appears almost invisible against the marble, while the reinforced structure ensures it meets safety standards for weight-bearing and stability.

## Customization Parameter Table (Project & Service Specifications)

Parameter Category	Project Customization Details	JAFFA Full Service Range
Core Material	20mm ultra-clear acrylic (bar), brushed stainless steel (mounting brackets)	100+ acrylic materials (clear, frosted, colored, anti-UV, scratch-resistant; 15mm–30mm thickness); metal brackets (stainless steel, brass, matte black)
Overall Dimensions	Customized to 60cm (L) * 3cm (D) (wall-mounted grab bar)	Custom size: 30cm (mini) to 120cm (large); custom curved/angled shapes supported
Structure Design	Seamless single-piece acrylic bar, wall-mounted with reinforced stainless steel brackets	10+ structural templates (wall-mounted, corner-mounted, curved, straight, with/without grip grooves)
Surface Treatment	Ultra-clear high-gloss finish, precision edge polishing, seamless bonding	Polishing, sandblasting, UV printing, laser engraving, anti-scratch coating, anti-bacterial treatment
Accessory Configuration	Reinforced stainless steel mounting brackets, anti-slip grip grooves (optional)	Custom length, color, and finish; ADA-compliant safety testing; waterproof mounting hardware
Service Cycle	Design confirmation: 2 days; Production: 8 days; Installation: 1 day	Design: 1–3 days (3D renderings); Production: 5–12 days; Global shipping & installation hardware

## Core Selling Points & Customization Advantages (Bullet Points)

- 1. One-Stop Bespoke Service:** JAFFA manages the entire process from initial space analysis, 3D design renderings, material selection, to manufacturing, delivery, and on-site installation, ensuring a seamless luxury experience.
- 2. 100+ Premium Material Options:** Choose from ultra-clear, frosted, or colored acrylic, paired with customizable metal brackets to match any bathroom decor.
- 3. Minimalist Safety Design:** The transparent acrylic appears almost invisible against tile or marble, providing stability without compromising the bathroom's aesthetic.
- 4. Durable & Hygienic:** Industrial-grade acrylic is non-porous, easy to clean, and resistant to stains, mold, and bacteria, making it ideal for wet shower environments.
- 5. ADA-Compliant Safety:** Reinforced acrylic and stainless steel brackets ensure the grab bar meets ADA standards for weight-bearing (up to 150kg) and stability.

## FAQs (Focused on Customization & Bathroom Safety)

- 1. Can JAFFA provide 3D design renderings to visualize the final grab bar in my shower?** Yes. Our design team will create photorealistic 3D renderings based on your shower dimensions and tile style within 1–3 days, allowing you to visualize and refine the design before production.
- 2. Is the clear acrylic resistant to scratches and fading from shower water and cleaners?** Yes. We use a premium non-porous acrylic with a scratch-resistant and UV-stabilized coating, ensuring the bar maintains its clarity and finish even with regular use of shower cleaners.
- 3. Can the grab bar be customized to fit a specific corner or angled shower wall?** Absolutely. Our design team specializes in custom curved and angled grab bars, with reinforced mounting solutions that ensure stability on any wall configuration.
- 4. How do I start a custom acrylic shower grab bar project with JAFFA?** Simply click the "Inquiry" button and share your shower dimensions, preferred length, and mounting needs. Our team of design specialists will respond within 24 hours to start your bespoke project.
