Product Description

Product Case Description (Short Paragraph)

This custom acrylic tissue box project, crafted for a modern home decor brand, perfectly demonstrates JAFFA's expertise in blending minimalist design with functional home accessories. The client needed a sleek, durable tissue box to complement contemporary interior aesthetics, while featuring customizable branding to align with their "HOME SWEET HOME" product line. We delivered a **rectangular tissue box** crafted from 8mm frosted acrylic, paired with a solid black acrylic base for visual contrast. The semi-transparent frosted finish softens the visual weight, while the bold, laser-engraved text adds a personalized touch—transforming a simple tissue box into a stylish statement piece for living rooms, bedrooms, and entryways.
