## Product Description

### Product Case Description (Short Paragraph)

This custom acrylic door handle project, crafted for a luxury residential client, perfectly demonstrates JAFFA's expertise in blending minimalist design with functional hardware. The client needed a handle that would seamlessly integrate with their textured, modern door aesthetic—avoiding the bulk of traditional metal handles while maintaining durability. We delivered a **sleek, rectangular handle** crafted from 10mm ultra-clear acrylic, paired with a polished chrome square mounting plate. The transparent acrylic appears almost invisible against the door, while the chrome base adds a subtle, modern contrast—transforming a simple door handle into a minimalist accent that elevates the entryway's design.

### Core Selling Points & Customization Advantages (Bullet Points)

- **One-Stop Bespoke Service:** JAFFA manages the entire process from initial design concept, 3D renderings, material selection, to manufacturing, delivery, and hardware, ensuring a seamless luxury experience.
- **100+ Material & Finish Combinations:** Choose from ultra-clear, frosted, or colored acrylic, paired with customizable metal base finishes to match any door aesthetic (minimalist, modern, luxury, industrial).
- **Minimalist Integration:** The transparent acrylic appears almost invisible against the door, creating a clean, uncluttered look that keeps the focus on the door's texture and design.
- **Durable & Easy to Clean:** Industrial-grade acrylic is non-porous, scratch-resistant, and easy to wipe clean, making it ideal for daily use in high-traffic entryways.
- **Modern Contrast:** The polished chrome base adds a subtle, reflective contrast to the transparent acrylic, elevating the handle from a functional piece to a minimalist design accent.

### FAQs (Focused on Customization & Home Use)

**1. Can JAFFA provide 3D design renderings to visualize the final handle on my door?**

Yes. Our design team will create photorealistic 3D renderings based on your size, material, and finish preferences within 1–2 days, allowing you to refine the design before production.

**2. Is the ultra-clear acrylic resistant to scratches and fading from light exposure?**

Yes. We use a premium scratch-resistant and UV-stabilized coating on all acrylic surfaces, ensuring the handle maintains its clarity and finish even with regular light exposure and handling.

**3. Can the handle be customized with a different shape or lock mechanism?**

Absolutely. We support custom shapes (rectangular, rounded, sculptural) and lock mechanism options (keyed, keyless) to align with your door and personal security needs.

**4. How do I start a custom acrylic door handle project with JAFFA?**

Simply click the "Inquiry" button and share your size, material, finish, and intended use. Our team of design specialists will respond within 24 hours to start your bespoke project.
