

JAFFA Custom Acrylic Infinity Pool Panel, Transparent Overflow Pool Fence, Villa Outdoor Pool Transparent Wall

Our Product Introduction

for more products please visit us on custom-acrylicproducts.com

Basic Information

- Minimum Order Quantity: 5set
- Price: Negotiable
- Packaging Details: Wooden box packaging, cardboard box packaging
- Delivery Time: 7-10 work days
- Payment Terms: T/T,D/P,L/C
- Supply Ability: 500sets/Year

Product Specification

- Material: PMMA
- Standard Size: Customizable
- Color: Customizable
- Feature: Luminous
- Service: OEM/ODM
- Application: Mall/Restaurant/Office/Home/Exhibition/Guar

Product Description

Description

- **Infinity Transparent Visual Design:** Adopts high-transparent acrylic/polycarbonate panel to build pool side wall/fence, realizing seamless connection between water surface and landscape, creating "infinity pool" visual effect, enhancing the high-end texture and check-in attribute of villa and hotel pools.
- **High-Clarity Weather-Resistant Acrylic Material:** Made of imported UV-resistant and hydrolysis-resistant acrylic/polycarbonate panel with thickness 10–30mm, light transmittance up to 92%, high and low temperature resistant, impact-resistant, anti-yellowing, no cracking or deformation after long-term immersion in water, complying with overseas pool building material safety standards.
- **Modular Splicing Structure:** The pool panel is composed of multiple acrylic plates + stainless steel/aluminum alloy frames in sections, customizable to straight, curved, L-shaped and other shapes, adapting to pools of different sizes and shapes.
- **Professional Waterproof & Pressure-Resistant Structure:** Adopts thickened acrylic plate + stainless steel reinforced frame, double sealed with structural adhesive and waterproof sealing strip, which can bear pool water pressure, effectively prevent water leakage, complying with overseas pool safety codes such as ASTM/EN.
- **Multi-Scene Adaptability:** Can be used in villa private pools, hotel resort pools, homestay internet-famous pools, outdoor leisure pools and other scenarios, combining safety protection and viewing decoration functions.
- **Eco-Friendly & Safe Craftsmanship:** Adopts laser cutting + hot bending + polishing + sealing assembly, no odor or formaldehyde, acrylic material complies with EU ROHS environmental standards, and the edge is polished with rounded corners to avoid bump injuries.

Sample fee

Prepaid sample fee

The proofing fee will be refunded for bulk orders, and will not be charged if you are not satisfied.

Parameter Item (English)	Parameter Value (Customizable)
Material	Imported High-Clarity Acrylic/PC Polycarbonate + Stainless Steel/Aluminum Alloy Frame + Structural Adhesive + Sealing Strips
Color	Clear/Light Blue (Panel); Silver/Black (Frame)
Structure	Straight/Curved/L-Shaped + Modular Splicing
Standard Size	H60–150cm × L100–300cm (Adjustable)
Thickness	Acrylic/PC Panel 10–30mm + Frame Wall Thickness 3–5mm
Craftsmanship	Laser Cutting + Hot Bending + Polishing + Sealing Assembly
Weight Per Panel	Approx. 50–200 kg (Depends on Size)
Packaging	Custom Wooden Crate + Foam Cotton + Shockproof Pad (Shockproof)

Installation Method Parameter Item	Structural Adhesive Bonding + Expansion Bolt Fixing + Waterproof Sealant Construction
(English) Size Customization	Adjustable H/L/Curvature, MOQ: 1 Panel
Form Customization	Customizable Straight/Curved/L-Shaped/Irregular Shape
Material Customization	Customizable Panel Material/Color/Thickness; Frame Material/Color
Function Customization	Customizable Light Transmittance/Pressure-Bearing Grade/Anti-Collision Design
Safety Customization	Customizable Panel Thickness/Rounded Corner Treatment/Waterproof Grade

PARTICULARITY

(Customized products, subject to the effect)
After cutting, it will affect the secondary sales.
If there is no quality problem, we don't support returning goods.
Thank you for your cooperation.

**If you need to return the goods, you will be charged 80%,
and the return postage will be borne by the buyer himself.**

I wish you a happy shopping!
If you have any questions.
Please contact our after-sales customer service.
We will give a reasonable treatment plan in time ~
About delivery

After the customer places an order,
the goods will be delivered within 1-3 working days under normal circumstances.
If the quantity is large or the process is complex,
the production cycle will be extended. If you have requirements for delivery time,
you can contact and negotiate.

About chromatic aberration
The product pictures are all real photos, but due to shooting technology,
light, display parameters and other factors.
The color of the received object will be different from the photo.
Please take the object as the standard.

About price
Because there are many specifications of raw materials,
please contact customer service for quotation for other specifications.
(The link price is for the convenience of customers to place an order, not the actual price of the product)

1. Is this acrylic pool panel suitable for long-term immersion in water?

Answer: Yes! It adopts hydrolysis-resistant special acrylic material, which is resistant to water immersion and algae adhesion, no mildew, cracking or discoloration after long-term use, specially designed for outdoor pool environment.

2. What is the light transmittance of the acrylic panel? Will it affect the pool appearance?

Answer: The light transmittance is up to 92%, close to the transparent effect of glass, which can perfectly present the pool water quality and surrounding landscape, and is the core material for creating internet-famous infinity pools.

3. What is the waterproof and pressure-bearing performance of the pool panel?

Answer: Thickened acrylic plate + stainless steel frame + double sealing design, which can bear the water pressure of 0.5–1.5 meters depth, effectively prevent water leakage, complying with overseas pool safety standards.

4. Does it support customization of curved or irregular pools?

Answer: Yes, it can customize irregular panels such as curved and wavy shapes through hot bending process, adapting to irregular pools such as round and oval.

5. Is installation and transportation complicated?

Answer: The modular sectional design can be disassembled for transportation, reducing logistics difficulty; it is installed on-site by a professional team for structural adhesive bonding and waterproof sealing construction, with convenient installation, suitable for various outdoor pool projects.

JAFFA
THE REASON FOR OUR CHOICE

ABOUT US

We are committed to providing customers with high-quality acrylic, plexiglass and resin plate products to meet the needs of various industries. Whether it's commercial display, interior decoration, advertising logo or home design, we can make it according to customer's requirements.

We have advanced production equipment and technical team, which can provide a variety of different processing technologies, including cutting, grinding, bending and bonding.

Ensure the accuracy and quality of products.

We also pay attention to innovation and research and development, and constantly introduce new products and designs to meet the needs and trends of the market.

In terms of installation, we have an experienced installation team, which can quickly and accurately complete the installation of products to ensure customer satisfaction and use effect.

Whether it is a business customer or an individual customer, we are committed to providing you with professional, efficient and high-quality services.

No matter what kind of products you need to customize.

We can make it according to your needs and requirements.

Ensure the quality and effect of products.
